

ACRP CERTIFICATION FOR ORGANIZATION MEMBERS

ACRP Certification is an ideal solution for managers looking to enhance team knowledge, grow leaders, and signify to others that their study teams are among the best of the best.

More than 41,000 clinical research professionals have validated their competency through successful completion of ACRP's industry-leading, accredited certification programs.

ACRP CERTIFICATION PROGRAMS

- ACRP Certified Professional (ACRP-CP®)
- Certified Clinical Research Associate (CCRA®)
- Certified Clinical Research Coordinator (CCRC®)
- Certified Principal Investigator (CPI®)
- ACRP Medical Device Professional (ACRP-MDP®)
- ACRP Project Manager (ACRP-PM®)

NCCA ACCREDITATION

ACRP's ACRP-CP®, CCRC®, CCRA®, and CPI® programs are accredited by the National Commission for Certifying Agencies (NCCA), which sets internationally recognized standards for the development and operation of certification programs.

ACRP CERTIFICATION BENEFITS FOR YOUR TEAM

- Validate Team Competency and Build Staff Knowledge
- Provide Opportunities for Continuous Professional Development
- Differentiate Study Teams by Demonstrating Applied Knowledge
- Improve Clinical Trial Operations, Raise Enrollment Rates, Lower Protocol Deviations, Improve Regulatory Compliance, and More!

“At Velocity, we feel strongly that every one of our coordinators, PI’s, and other team members should strive for ACRP Certification. It shows sponsors that we take the professionalism of our work very seriously and hold ourselves to the highest standard. And in an industry based on discovery and the betterment of healthcare, earning and maintaining clinical research certification challenges our staff to be engaged in the high-speed growth and change in our industry.”

JEREMY COOK

Senior Manager of Learning & Development
Velocity Clinical Research, Inc.
ACRP Organization Member Since 2022

“When I see another ACRP Certified research professional, I know they have a baseline knowledge that is far and above the basics. So, I have confidence in the quality of the work they are doing.”

SUZANNE KINCAID

CCRA, ACRP-PM, FACRP
Independent Contractor
ACRP Certified Since 2002
