

Carolinas HealthCare System

**Greater Charlotte Chapter in partnership with Carolinas HealthCare System Research presents:**

## **ACRP Certification Prep Course**

**Date:** Saturday October 28, 2017

**Time:** 9:00am – 5:00pm

**Location:** Carolinas Medical Center Main  
Suzanne Freeman Auditorium  
Charlotte, NC 28203

The new ACRP Certification Exam Preparation Classroom Course provides guidance on how to prepare for an ACRP Certification exam (e.g., CCRA<sup>®</sup>, CCRC<sup>®</sup>, and CPI<sup>®</sup>) to candidates eligible to take the exam. Familiarize yourself with the format of the exam, tackle example questions, and conduct a personal gap analysis to ensure you are fully primed to earn your ACRP Certification.

This course includes a PowerPoint presentations/hand-outs, interactive classroom exercises, discussions, and question-and-answer (Q&A) sessions.

### **Learning Objectives**

- Be able to list and use the benefits of certification to drive their exam preparation efforts
- Be familiar with the question-style and layout of ACRP's Certification exams, including how to approach their multiple-choice format
- Be able to identify and describe at least three (3) strategies for preparing for ACRP's Certification exams
- Be able to use and reference the five (5) relevant guidelines used to create the ACRP's Certification exams:
  - ICH E2A—Safety Definitions
  - ICH E6—Good Clinical Practice
  - ICH E8—General Considerations for Clinical Trials
  - ICH E9—Statistical Principles for Clinical Trials
  - The Declaration of Helsinki
- Be able to assess their individual level of readiness by practicing exam questions based on the Detailed Content Outline (DCO) under training conditions (not exam conditions)

## Audience

Clinical research professionals preparing to sit for an ACRP Certification exam.

## Cost:

GACRP member	\$150.00
ACRP member	\$175.00
Non ACRP member	\$200.00

This fee includes the presentation, question and answer period, lunch, and networking.
