

# Connect with your colleagues online and in person and participate in networking and professional development events.

## Our Solutions

### LOCAL CHAPTERS

With more than 50 chapters around the world, you can join your local chapter to participate in nearby networking events and professional development opportunities.

### ACRP ONLINE COMMUNITY

Connect with your peers, discuss issues you face day to day, find solutions, and access helpful resources in our online forums.

### CONNECT WITH ACRP

Follow @ACRPDC on Facebook, Twitter, LinkedIn, and Instagram to get breaking news, product announcements, and join the conversation on the latest industry trends.

### CLINICAL TRIALS DAY—MAY 20

Clinical Trials Day is a well-deserved ‘time out’ to recognize the people who conduct clinical trials and to say “thanks” for what they do every day to improve public health. This day of celebration also provides our community with a unique opportunity to raise awareness of clinical trials – and of clinical research as a career option – among the greater public.
