1	Compared to other meetings, this one seemed to have the fewest discussions and the least strategy involved. It may be in part because of the Alliance presentation, which was long and I never grasped why it was done in person instead of via email.	2/9/2020 9:19 AM

## Q5 Please list any areas for improvement.

1	I think we could have benefitted more about the Board member as ambassador y we listed how each of the members can help and have them reflect on what they do and think of what else they can do. For example I don't see many Board members active in social media (linked in, twitter) sharing information about ACRP news. I think if all of us did more it would help the Brand reach further.	2/27/2020 8:21 PM
2	More time to consider and discuss strategic issues. The Board risks becoming a rubber stamp of management if simply approves what is put before it, rather than consider the implications of where the industry is headed, then and providing clear direction to management.	2/26/2020 11:53 AM
3	N/A	2/13/2020 3:09 PM
4	NA	2/12/2020 9:25 AM
5	The agenda should show those items that are for discussion only or those that require a board decision to be made	2/9/2020 5:56 PM
6	We were more 'presented to' than 'engaged and utilized' this time.	2/9/2020 9:19 AM
7	Branding and Positioning discussion was somewhat unclear and seemed to be a revisit back to November's discussion	2/8/2020 11:14 PM
8	I would prefer not to get bogged down on word smithing documents, the suggestion to have Jeremy/staff come back with suggestion changes seemed clear to me, yet we continued to pick apart the words.	2/8/2020 5:37 PM

1	My follow up meeting with Director was valuable.	2/26/2020 2:40 PM
2	Given the amount of travel time required of most ABoT members to attend the face-to-face meetings, those meetings should be more indepth, which would likely require a day and a half of meetings. That would allow us to get deeper into strategic discussions.	2/26/2020 11:53 AM
3	I like the format of one day and getting everything wrapped up by 3pm. This means we have to be focused and efficient with our use of time, which we were. Good job Paul and Erica.	2/24/2020 9:40 AM
4	Considering the amount of travel time, I'm going to say no this time. Too much of this particular meeting could have been done by webinar.	2/9/2020 9:19 AM

1	I would like to have more detail about chapter activity progress and annual plan of events (regional and annual M&E but also educational events) and open activities that may help us understand better the organization. Also I would like to know better my colleagues of the Board and the key people within the organization, since this helps us bond and see how to best complement and synergize with organizational goals .	2/27/2020 8:21 PM
2	Although the hotel is conveniently located, it continues to have challenges with its HVAC and other systems. We may want to consider other options that are newer or have already completed updating/remodeling.	2/26/2020 11:53 AM
3	All good.	2/24/2020 9:40 AM
