Subject: Content Committee Liaison Update to ABOT for meeting 09 SEP 2020

By: Anne Blanchard, ABOT Appointed Liaison to the Content Committee

Date: 30 Aug 2020

Summary:

There have not been new projects to work within the committee.

The Committee members have been helpful in providing topics of interest and need on the last few calls. This is extremely helpful for Michael Causey and Bridget Gonzalez in developing resources.

-Conference Planning Working Group

-Currently 9 reviewers with 35-40 abstracts/reviewer

-Reviews continue until Aug 31st

-Open Forum-ACRP Online Community

-SMEs and Content Committee have been very helpful in answering questions on the open forum

-Content Committee Calls

-Last Meeting took place on 11 August 2020 with no quorum, next meeting is scheduled for October 13, 2020. Liaison was unable to attend. Bridget Gonzalez assisted in the preparation of this report.

- On each call the committee members are asked to bring topics, pains, needed resources, etc. that they are hearing or experiencing in the industry. The topics have been used by Michael and Bridget for webinar ideas, blogs, ACRPtv and articles. They are also asked that they propose speakers/writers for these topics. The topics helped build the editorial calendar for 2021 and will help in creating the ACRP event schedule for 2021. This will be a continued request of the committee as the needs and hot topics are every changing.

-Events and ACRP resource updates are provided on each call and the committee is advised to share and help promote through their organizations and networks.

Recommendation:

None

Fiscal note:

None
