FINANCIAL REPORTS

Nicole Emborski, Cordia Partners, updated the group on the FY20 Audit which is underway and will be finalized in time for our annual tax return (IRS Form 990) to be completed in August for approval by the Finance Committee in September. She presented Financial Statements as of

April 30, 2021, highlighting that we are on track compared to our FY21 budget and also doing very well compared to the prior year. She noted that the Paycheck Protection Program loan is reflected on the balance sheet as a liability until it is forgiven, which is expected later this year. She provided a positive cash flow forecast.

Kevin McCourt, Chief Operating Officer, provided an update on ACRP's new Association Management System (AMS), reviewing why we are investing in a new AMS, goals for the new system, and associated costs. It was noted that while AMS expenses are included in the FY21 budget, when the budget was approved, the Board of Trustees asked staff to monitor revenue in quarters one to three of this year and shift AMS upgrade plans if we are not meeting revenue goals. As revenue is on-track with the budget, staff is moving forward with the AMS project as planned.

Committee members discussed ACRP's office space and remote working policy under development as well as Treasurer Sergio Armani's Ride for Diversity cycling trip which raised over \$21,000 for ACRP's Partners in Workforce Advancement program.

Financial Statements as of April 30, 2021 are attached as Exhibit C.

The Cash Flow Report is attached as Exhibit D.

The Association Management System Overview is attached as Exhibit E.

There being no further business, the meeting adjourned at 1:40 p.m.
